

Hello Parents,

Yes, online camp registration for Phoenix Feather Camp 2020 is now open! We are confident that schools will end the school year the same day they were scheduled because the closure directive was made at the behest of governments agencies, the State of Utah, and not the Cache County School District. As a result of this closure being imposed, the District will receive a waiver to count these days, rather than a mandate to make them up (extend the school year).

Although we are very confident that camp will begin and run as planned, we do not have Professor Trelawney's crystal ball :) So, what our non-profit Board voted to do was to go ahead with the registration. In the unlikely event that the 2020 camp dates are moved and a student cannot consequently attend, or the camp is cancelled, then the balance paid, minus \$35, will be refunded per registrant. Although \$35 is non-refundable due to VISA merchant fees and camp insurance premiums, the remaining paid balance will be refunded in 7-10 business days. We hope this is fair. We strongly feel the panic will be long past by June, and we will have an AMAZING camp!

Reed D. Olson
